Putting people first
## Accountability in action snapshot

01 December 2023

IASC Inter-Agency Standing Committee

This snapshot provides an overview of known collective efforts undertaken at field level by humanitarian partners on Accountability to Affected People. This document also references other relevant initiatives including the Emergency Relief Coordinator's Flagship Initiative, the case study countries of the Independent Review of Humanitarian Responses to Internal Displacement, and the focus countries of the Office of the Special Adviser on Solutions to Internal Displacement.
