In Haiti**

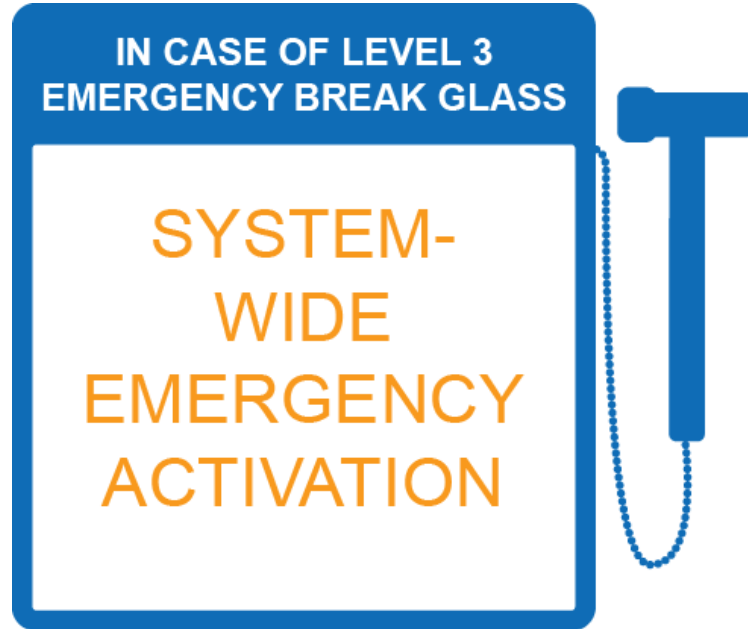

“In December 2011, the IASC adopted the Transformative Agenda. It focuses on three key areas: better **leadership**, improved **accountability** to all our stakeholders and improved **coordination**. The impact of these changes, which we are now introducing, will be more lives saved, faster.”

*-Valerie Amos,
Emergency Relief Coordinator and
Chair of the Inter-Agency Standing Committee*

Level 3 Emergencies

Exceptional in:

Scale	Complexity	Urgency	Capacity	Reputational Risk
