| 12. | How could this IASC product be more widely known and used? |
|-----|---|
| # | Response |
| 1 | organise regional dissemination |
| 2 | more dissemination to community organisations |
| 3 | Training |
| 4 | In Bangladesh Older People are yet to be included in all development activities. Better or more use of this product may linked to mainstreaming of OP issues in all development activities. |
| 5 | group training along with diverse agencies |
| 6 | Make it part of the basic training package for humanitarian workers and agencies. |
| 7 | These products simply have to be referred to more often Just having them on some reference list isn;t making them know |
| 8 | series of training and information drive |
| 9 | If it were incorporated into a training model. It is was promoted using other IASC mechanism. |
