

## ANNEX 2 to IDP Response Matrix : MATRIX RESULT FOR COORDINATORS

WARNING: some of the bars in the charts may not be visible on screen –  
they show correctly on the printed version.

### List of countries:

Afghanistan
Angola
Armenia
Azerbaijan
Bosnia and Herzegovina
Central African Republic
Croatia
DRC
Eritrea
Ethiopia
FRY (Serbia & Montenegro)
Georgia
Guinea Bissau
Indonesia
Iraq
Kenya
Lebanon
Liberia
Macedonia (FYR)
Myanmar
Nepal
Nigeria
Pakistan
Philippines
Republic of Moldova
Russian Federation
Rwanda
Sierra Leone
Sudan
Turkey
Uganda
Uzbekistan
Zimbabwe

4. Inter-agency coordination on IDP issues is supported by specific and functioning mechanisms.		Number of Responses	Response Ratio
True.		12	38%
Partly true: improvements are needed.		15	47%
False: this is a major gap to be addressed		4	13%
False: this is not an issue in this country.		1	3%
Don't know		0	0%
<b>Total</b>		32	100%
5. Violations of rights of IDPs under international humanitarian and human rights are consistently documented and reported regularly.		Number of Responses	Response Ratio
True.		4	12%
Partly true: improvements are needed.		18	55%
False: this is a major gap to be addressed		5	15%
False: this is not an issue in this country.		6	18%
Don't know		0	0%
<b>Total</b>		33	100%
6. IDPs are actively made aware of their rights according to international human rights and humanitarian law.		Number of Responses	Response Ratio
True.		3	9%
Partly true: improvements are needed.		16	50%
False: this is a major gap to be addressed		10	31%
False: this is not an issue in this country.		1	3%
Don't know		2	6%
<b>Total</b>		32	100%

7. IDPs are provided with legal counselling.	Number of Responses	Response Ratio
True. 	2	6%
Partly true: improvements are needed. 	12	38%
False: this is a major gap to be addressed 	12	38%
False: this is not an issue in this country. 	2	6%
Don't know 	4	13%
<b>Total</b>	32	100%
8. Safety and security concerns of IDPs and returning IDPs are addressed.	Number of Responses	Response Ratio
True. 	7	22%
Partly true: improvements are needed. 	15	47%
False: this is a major gap to be addressed 	7	22%
False: this is not an issue in this country. 	3	9%
Don't know	0	0%
<b>Total</b>	32	100%
9. The protection of internally displaced children is ensured.	Number of Responses	Response Ratio
True. 	4	13%
Partly true: improvements are needed. 	18	56%
False: this is a major gap to be addressed 	7	22%
False: this is not an issue in this country. 	2	6%
Don't know	1	3%
<b>Total</b>	32	100%

10. The different impact that internal displacement is likely to have on men and women is taken into account when planning and carrying out assistance and protection programmes.		Number of Responses	Response Ratio
True.		3	9%
Partly true: improvements are needed.		15	47%
False: this is a major gap to be addressed		9	28%
False: this is not an issue in this country.		3	9%
Don't know		2	6%
<b>Total</b>		32	100%
11. IDPs benefit from peace building/reconciliation activities.		Number of Responses	Response Ratio
True.		4	13%
Partly true: improvements are needed.		18	56%
False: this is a major gap to be addressed		6	19%
False: this is not an issue in this country.		3	9%
Don't know		1	3%
<b>Total</b>		32	100%
12. IDP camps are well managed.		Number of Responses	Response Ratio
True.		1	3%
Partly true: improvements are needed.		15	47%
False: this is a major gap to be addressed		4	13%
False: this is not an issue in this country.		11	34%
Don't know		1	3%
<b>Total</b>		32	100%

<b>13. Internally displaced children benefit from “emergency education” programmes.</b>		<b>Number of Responses</b>	<b>Response Ratio</b>
True.		4	13%
Partly true: improvements are needed.		13	41%
False: this is a major gap to be addressed		6	19%
False: this is not an issue in this country.		7	22%
Don't know.		2	6%
<b>Total</b>		<b>32</b>	<b>100%</b>

<b>14. Food requirements of IDPs are met, either through food aid, agricultural support or other means.</b>		<b>Number of Responses</b>	<b>Response Ratio</b>
True.		11	35%
Partly true: improvements are needed.		14	45%
False: this is a major gap to be addressed		3	10%
False: this is not an issue in this country.		3	10%
Don't know.		0	0%
<b>Total</b>		<b>31</b>	<b>100%</b>

<b>15. Moderately and severely malnourished IDPs benefit from supplementary/therapeutic feeding programs.</b>		<b>Number of Responses</b>	<b>Response Ratio</b>
True.		6	19%
Partly true: improvements are needed.		8	25%
False: this is a major gap to be addressed		3	9%
False: this is not an issue in this country.		12	38%
Don't know.		3	9%
<b>Total</b>		<b>32</b>	<b>100%</b>

16. The access of IDPs to health care services and facilities is comparable to the non-displaced population.		Number of Responses	Response Ratio
True.		8	25%
Partly true: improvements are needed.		12	38%
False: this is a major gap to be addressed		9	28%
False: this is not an issue in this country.		1	3%
Don't know.		2	6%
<b>Total</b>		32	100%

17. IDPs benefit from psycho/social counselling.		Number of Responses	Response Ratio
True.		2	6%
Partly true: improvements are needed.		8	26%
False: this is a major gap to be addressed		16	52%
False: this is not an issue in this country.		2	6%
Don't know.		3	10%
<b>Total</b>		31	100%

18. The HIV/AIDS concerns of the IDPs are addressed by specific programmes.		Number of Responses	Response Ratio
True.		2	6%
Partly true: improvements are needed.		8	26%
False: this is a major gap to be addressed		10	32%
False: this is not an issue in this country.		8	26%
Don't know.		3	10%
<b>Total</b>		31	100%

19. Water and sanitation needs of the IDPs are addressed by specific programmes.		Number of Responses	Response Ratio
True.		8	26%
Partly true: improvements are needed.		14	45%
False: this is a major gap to be addressed		4	13%
False: this is not an issue in this country.		4	13%
Don't know.		1	3%
<b>Total</b>		31	100%

20. Requirements for decent shelter for IDPs and returning IDPs are met.		Number of Responses	Response Ratio
True.		4	13%
Partly true: improvements are needed.		17	53%
False: this is a major gap to be addressed		9	28%
False: this is not an issue in this country.		2	6%
Don't know.		0	0%
<b>Total</b>		32	100%

  

21. IDPs' needs in terms of non-food items (such as plastic sheeting, tarpaulins, cooking utensils, hygiene implements) are met.		Number of Responses	Response Ratio
True.		8	25%
Partly true: improvements are needed.		12	38%
False: this is a major gap to be addressed		4	13%
False: this is not an issue in this country.		6	19%
Don't know.		2	6%
<b>Total</b>		32	100%

22. IDPs benefit from employment generation programmes, including vocational training and micro-credit schemes.		Number of Responses	Response Ratio
True.		4	13%
Partly true: improvements are needed.		11	34%
False: this is a major gap to be addressed		14	44%
False: this is not an issue in this country.		2	6%
Don't know.		1	3%
<b>Total</b>		32	100%
23. Programmes exist aiming at building the capacity of the judicial system to deal with specific IDP issues.		Number of Responses	Response Ratio
True.		2	6%
Partly true: improvements are needed.		9	28%
False: this is a major gap to be addressed		13	41%
False: this is not an issue in this country.		4	13%
Don't know.		4	13%
<b>Total</b>		32	100%
24. Long-term property rights of IDPs are actively promoted.		Number of Responses	Response Ratio
True.		3	9%
Partly true: improvements are needed.		11	34%
False: this is a major gap to be addressed		12	38%
False: this is not an issue in this country.		1	3%
Don't know.		5	16%
<b>Total</b>		32	100%

25. The long-term implications of internal displacement are fully taken into account in programme delivery. Early planning for durable solutions is included and the link between national economic and political development is recognised.		Number of Responses	Response Ratio
True.		4	13%
Partly true: improvements are needed.		16	50%
False: this is a major gap to be addressed		6	19%
False: this is not an issue in this country.		5	16%
Don't know.		1	3%
<b>Total</b>		32	100%
26. Internally displaced individuals, families and communities are recognised as full partners: their capacities are capitalised upon and their inputs are solicited when planning assistance.		Number of Responses	Response Ratio
True.		5	16%
Partly true: improvements are needed.		10	31%
False: this is a major gap to be addressed		14	44%
False: this is not an issue in this country.		1	3%
Don't know.		2	6%
<b>Total</b>		32	100%
27. Programmes exist that promote the agricultural development for IDPs.		Number of Responses	Response Ratio
True.		3	10%
Partly true: improvements are needed.		17	55%
False: this is a major gap to be addressed		6	19%
False: this is not an issue in this country.		3	10%
Don't know.		2	6%
<b>Total</b>		31	100%

28. Internally displaced communities benefit from mine action programmes.	Number of Responses	Response Ratio
True. 	8	25%
Partly true: improvements are needed. 	5	16%
False: this is a major gap to be addressed 	6	19%
False: this is not an issue in this country. 	11	34%
Don't know. 	2	6%
<b>Total</b>	32	100%
29. Programs exist that address the environmental degradation in areas where internal displacement takes place.	Number of Responses	Response Ratio
True. 	1	3%
Partly true: improvements are needed. 	12	38%
False: this is a major gap to be addressed 	13	41%
False: this is not an issue in this country. 	5	16%
Don't know.	1	3%
<b>Total</b>	32	100%
30. Adequate mechanisms exist for reporting and responding to sexual exploitation and abuse of IDPs.	Number of Responses	Response Ratio
True. 	1	3%
Partly true: improvements are needed. 	7	23%
False: this is a major gap to be addressed 	13	42%
False: this is not an issue in this country. 	7	23%
Don't know. 	3	10%
<b>Total</b>	31	100%

31. In situations where access is denied, negotiations are carried out to secure greater access.	Number of Responses	Response Ratio
True. 	9	28%
Partly true: improvements are needed. 	5	16%
False: this is a major gap to be addressed 	5	16%
False: this is not an issue in this country. 	11	34%
Don't know. 	2	6%
<b>Total</b>	32	100%

**STEP 2 - THE POLICY AND STRATEGIC ENVIRONMENT**

32. Is there national legislation (a law, a decree or other legal instrument) that deals specifically with IDPs?		Number of Responses	Response Ratio
Yes		12	38%
No		17	53%
Don't know		3	9%
<b>Total</b>		32	100%

33. Have the Guiding Principles on Internal Displacement been officially recognized by authorities (for instance through a declaration or public statement)?		Number of Responses	Response Ratio
Yes		12	38%
No		12	38%
Don't know		8	25%
<b>Total</b>		32	100%

34. Is there an officially adopted IDP strategy outlining the roles and responsibilities of national authorities and international organizations?		Number of Responses	Response Ratio
Yes		12	38%
No		19	59%
Don't know		1	3%
<b>Total</b>		32	100%

35. Does the IDP strategy include a protection component?		Number of Responses	Response Ratio
Yes		9	75%
No		2	17%
Don't know		1	8%
<b>Total</b>		12	100%

36. Are IDPs included in an inter agency contingency plan?		Number of Responses	Response Ratio
Yes		17	57%
No		6	20%
There is no contingency plan		7	23%
<b>Total</b>		30	100%

**STEP 3 – THE COUNTRY TEAM AND ITS COORDINATION MECHANISMS** We will now look at the composition and working of the “enlarged Country Team” that deals with IDPs in the country where you are working. By “enlarged Country Team” we mean the UN agencies and any other international organisation which has IDP-related activities.

37. Who has responsibility for the coordination of protection and assistance programs by international organizations to IDPs?		Number of Responses	Response Ratio
Nobody		3	10%
The Humanitarian Coordinator		9	29%
The Resident Coordinator		8	26%
A specific agency or focal point (indicate which)		11	35%
<b>Total</b>		31	100%

38. Please list the organisations which you are certain have IDP-related activities.	
31 Responses	

39. Is there an IDP-specific working group or thematic group within the enlarged Country Team?		Number of Responses	Response Ratio
Yes		14	45%
No		17	55%
Don't know		0	0%
<b>Total</b>		31	100%

40. Please consider the following statements carefully and choose the one that best describes the Country Team's approach to IDPs.		Number of Responses	Response Ratio
IDPs are a reason for specific concern for the Country Team and therefore are dealt with as a distinct, separate issue.		7	22%
IDPs needs are one component of the needs of the larger civilian population: they are dealt with as a part of the response to the overall humanitarian or development situation.		18	56%
IDPs are mostly a protection issue and they are dealt with as part of broader initiatives to promote respect for human rights and humanitarian law.		1	3%
IDPs are a sensitive political issue: they are a responsibility of the State and they lay outside the mandate of international organisations.		1	3%
IDPs are not dealt with in a systematic and regular manner.		5	16%
<b>Total</b>		32	100%

STEP 4 – THE NATIONAL AUTHORITIES

41. IDPs?		Number of Responses	Response Ratio
No		4	13%
Don't know		1	3%
 Yes, please specify		27	84%
<b>Total</b>		32	100%

42. Is there an established mechanism through which members of the Country Team can discuss IDP issues with the national authorities on a regular basis?		Number of Responses	Response Ratio
Yes		14	44%
No		17	53%
Don't know		1	3%
<b>Total</b>		32	100%

**43.** What is the frequency of the meetings?  
 13 Responses

**44.** Who chairs the meetings?  
 14 Responses

**45.** Who attends on a regular basis? (please list international organisations and national authorities)  
 13 Responses

46. Is respect for the rights of IDPs according to international humanitarian and human rights law discussed in such meetings?		Number of Responses	Response Ratio
Yes		12	86%
No		2	14%

Don't know		0	0%
	<b>Total</b>	14	100%

Please consider the following statements carefully and choose the one that best describes the approach of the national authorities to IDPs.		Number of Responses	Response Ratio
47.	IDPs are a reason for specific concern and therefore are dealt with as a distinct, separate issue.	6	19%
	IDPs needs are one component of the needs of the larger civilian population: they are dealt with as a part of the response to the overall humanitarian or development situation.	14	44%
	IDPs are a sensitive political issue: they are a responsibility of the State and they lay outside the mandate of international organisations.	4	13%
	IDPs are not dealt with in a systematic and regular manner.	8	25%
	<b>Total</b>	32	100%

STEP 5 – THE DONORS

48. Does the donor community in the country where you are working show a common and united approach to IDP issues in their dealings with the national authorities?		Number of Responses	Response Ratio
Yes		17	53%
No		14	44%
Don't know		1	3%
<b>Total</b>		32	100%

49. Is there an established mechanism through which members of the Country Team can discuss IDP issues with the donor community on a regular basis?		Number of Responses	Response Ratio
Yes		20	63%
No		12	38%
Don't know		0	0%
<b>Total</b>		32	100%

50. What is the frequency of the meetings?

[VIEW](#) 20 Responses

51. Who chairs the meetings?

[VIEW](#) 20 Responses

52. Who attends on a regular basis? (please list international organisations and donor countries)

[VIEW](#) 20 Responses

53. Please consider the following statements carefully and choose the one that best describes the approach of the donors to IDPs.		Number of Responses	Response Ratio
---	--	---------------------	----------------

IDPs are a reason of specific concern for the international community and therefore are dealt with as a distinct, separate issue.		4	13%
IDPs needs are one component of the needs of the larger civilian population: they are dealt with as a part of the response to the overall humanitarian or development situation.		20	65%
IDPs are mostly a protection issue and they are dealt with as part of broader initiatives to promote respect for human rights and humanitarian law.		1	3%
IDPs are a sensitive political issue: they are a responsibility of the State and they lay outside the mandate of international organisations.		0	0%
IDPs are not dealt with in a systematic and regular manner.		6	19%
<b>Total</b>		31	100%

#### STEP 6 – INFORMATION MANAGEMENT

54. Is information on the numbers and specific needs of IDPs collected on a regular basis?		Number of Responses	Response Ratio
Yes		18	56%
No		13	41%
Don't know		1	3%
<b>Total</b>		32	100%

#### 55. Who collects such information?

[VIEW](#) 18 Responses

#### 56. How is such information disseminated?

[VIEW](#) 17 Responses
