

2018 Work Plan - Grand Bargain Multi-year Humanitarian Planning and Funding Work Stream

Key priority #1: Provide guidance for multi-year planning on gaps identified from pilot MYP exercises		
Expected result	Key stakeholders*	Work stream activities
a) Guidance on the humanitarian-development nexus in multi-year humanitarian response planning	OCHA IASC Task Team on HDN Grand Bargain HDN Work stream	<ul style="list-style-type: none"> • <u>Collaborate</u> with key stakeholders to develop/clarify simple global guidance on the humanitarian-development nexus in multi-year humanitarian response planning and <u>advocate</u> to GB signatory organizations to integrate this guidance.
b) Integration of the specific requirements for MYP into the needs assessment framework	GB Needs Assessment Work Stream	<ul style="list-style-type: none"> • <u>Advocate</u> to the GB Needs Assessment Work Stream to adjust key work plan activities to integrate addressing the specific requirements of needs assessment for multi-year planning.
c) Support in RBM and M&E for MYP	Global Cluster Coordination Group OCHA	<ul style="list-style-type: none"> • <u>Develop</u> a clear problem statement and <u>recommend</u> to key stakeholders to develop solutions for providing country support to produce stronger multi-year plans with underpinning RBM. <u>Advocate</u> to GB signatories to support the implementation of MYP RBM country support solutions.
Key priority #2: Outline a framework for multi-year funding from top-line donor to first-line responders		
Expected result	Key stakeholders*	Work stream activities
d) Mapping of existing donor practices in multi-year humanitarian funding	GHD IASC Task Team on Humanitarian Financing	<ul style="list-style-type: none"> • <u>Develop</u> a concept note and <u>recommend</u> to GHD to carry out a mapping of existing donor practices in multi-year humanitarian funding.
e) Facilitation of pass-through MYF to implementing partners	IASC Task Team on Humanitarian Financing	<ul style="list-style-type: none"> • <u>Develop</u> a concept note for and <u>advocate</u> to the IASC Task Team on Humanitarian Financing to implement a collaborative study to identify supporting factors and barriers to pass-through multi-year funding to implementing partners including first-line responders. This would form the basis for further advocacy to promote changes.

* The key stakeholders are the main stakeholders the work stream intends to target to achieve the expected result. It is not an exhaustive list of stakeholders for a given issue.
