**Subject:** IASC Humanitarian Financing Task Team: Next Meeting - 18 July at 9am NY/3pm Geneva

Dear All,

I am writing to follow up on the message below. The meeting will take place **tomorrow (Wednesday, 18 July) at 9am in New York and 3pm in Geneva.**

### Meeting agenda:

1. **Localization:** We invite the IFRC, a co-convenor of the Grand Bargain Localization Workstream and member of the HFTT, to discuss two pieces of work related to HFTT workplan activity 2.4 (guidance on country-level financing for local actors) and 5.2 (operationalization of localization definitions). Objective: agree to an updated description of these pieces of work in the HFTT workplan to avoid duplication (and maximize complementarity) with these initiatives.
2. **The Nexus:** We invite NRC, as an activity lead with FAO, for HFTT workplan activity 4.1 (case studies to map financial flows, facilitate in-country discussions and produce recommendations) to brief us on the forthcoming initiative to advance this activity. Objective: to understand next steps and best ways for the HFTT to contribute.
3. **Innovation:** Antoine will provide a read-out of the 13 July World Economic Forum workshop in New York activating a “community of practice” to explore collaboration in 1) co-designing innovative financing models, methods and mechanisms; 2) building an evidence base for humanitarian investing, and 3) address “the regulation challenge.” Melissa will then highlight plans for the first HFTT learning lab module on Islamic Social Financing, soliciting volunteers to help with planning. Objective: to understand next steps and best ways for the HFTT to contribute.
4. AOB
