

SIMPLIFY REPORTING

15 Grand Bargain Signatories are already either implementing or actively considering using the 8+3 reporting template.

WHY SHOULD YOU USE 8+3 TEMPLATE?

- 👉 The template simplifies and standardizes reporting.
- 👉 Donors that use the template find that the quality of reporting has even improved with the template, with some seeing also quicker turnovers and fewer clarification requests regarding reporting.
- 👉 Easier report preparation for aid organizations' staff, particularly frontline staff.
- 👉 Less need for reporting trainings, capacity-building and donor specialists.
- 👉 Internal learning as it's easier for organizations to monitor and compare assessments.
