SUMMARY

The Key Programming Approaches for putting young people at the centre should be done at all stages and all sectors.

Note: Section E of the IASC Youth Guidelines includes Tip Sheets on how to work with and for young people in each Sector.

DEEP DIVE INTO SECTOR RESPONSE

The following slides have examples taken from the sector Tip Sheets in the Guidelines – for the purposes of this session, we will focus on Sector

(choose appropriate sector according to the audience)

- **Identify key gaps concerning young people in your sector that should be prioritized by the HCT for the HRP process? MAKE YOUR CASE**

- **Identify and establish key linkages with other sectors / sub-sectors to strengthen adolescent and youth responsive programme approaches in the current context?**

- **Identify 1 or 2 key actions to engage with young people in your sector in any or all of the HPC phases?**
