

TERMS OF REFERENCE

Grand Bargain Facilitation Group

June, 2018

Purpose and scope

It was decided at the Grand Bargain meeting held in Bonn on 5-6 September 2016 that a Facilitation Group would be established to provide continued momentum to the overall Grand Bargain process.

The composition of this group is reflective of the different Grand Bargain constituencies [and is intended to act as a consensus-based governance body of the Grand Bargain process](#). The members of this group do not automatically represent the views of the whole of their constituencies, and so will try and collect views from their constituencies prior to decisions made by the Facilitation Group, as much as possible.

Responsibilities

The Grand Bargain Facilitation Group is responsible for the following:

- ~~Work~~ Liaise with the Eminent Person;
- Prepare for the annual Grand Bargain meeting in the margins of the ECOSOC HAS;
- Tender-out the independent annual report;
- Act as problem solving mechanism, analyse issues in order to propose recommendations to the wider GB community;
- Through coordination and information sharing, support activities across work streams and encourage coherence;
- Draw lessons learned from the production of the first independent annual report in order to improve the second annual report
