**GRAND BARGAIN 2.0 STRUCTURE**

**STRATEGIC OBJECTIVE**

Better humanitarian outcomes for affected populations through enhanced efficiency, effectiveness and greater accountability, in the spirit of quid pro quo as relevant to all constituencies.

**ENABLING PRIORITY 1**

A critical mass of quality funding is reached that allows an effective and efficient response, ensuring visibility and accountability.

**ENABLING PRIORITY 2**

Greater support is provided for the leadership, delivery and capacity of local responders and the participation of affected communities in addressing humanitarian needs.

---

**REMAINING POLITICAL CHALLENGES - POTENTIAL FUTURE CAUCUSES**

- Largest donors to increase quality funding
- Efficient tracking of funding and visualization
- Increase quality funding to local and/or national organisations, incl. through pooled funds
- Enhance visibility of funding and improve results reporting, linkage between transparency and flexibility/predictability of funds
- Broader implementation of the 8+3 template
- Further integrate CVA tracking mechanisms
- Investment in capacity building of national/local actors
- Due diligence and reporting of local actors
- Empowerment of front-line and local workers and partners to utilise existing donor and systemic flexibility to allow participation of affected people
- Aggregate political will to carry out recommendations on reducing donors’ assessments
- Participation revolution

---

- Common data standards
- Ensure donor buy-in to reinforce HPC
- Leadership/engagement of national actors in the GB
- 25% funding target (direct/quality funding)
- Inclusion of affected people from the earliest stages of response design
- Harmonisation of other elements of the HPC
- Inclusion of local actors through reinforced participation
- Proper prioritisation and identification of needs, and ensuring funding is based on needs analysis
