Scale-up Activation Timeline

**MIRA Phase I**
- Day 1 & 2: Initial assessment
  - Secondary data analysis + Initial rapid needs assessment

**MIRA Phase II begins**
- Days 3-5: Statement of Key Strategic Priorities
  - Resource/CERF allocation, cluster activation and monitoring

**2 Weeks:**
- IASC reviews and makes adjustments to humanitarian response process

**Day 30:**
- 5 Months or earlier: Review period
  - Scale-up activation review, leadership review, Operational Peer Review

### Day 1
- **12 hours**
  - ERC contacts the head of affected state.
  - ERC convenes meeting of IASC principals to review:
    - Analysis of the 5 Criteria (scale, complexity, urgency, capacity and risk of failure to deliver)
    - In-country humanitarian leadership and coordination structures
    - Common advocacy priorities and messages
  - ERC announces first Central Emergency Response Fund (CERF) allocation

### Day 2
- **24 hours**
  - ERC/IASC review cluster activation proposal
  - Within 72 hours, HC designated and relevant clusters activated

### Day 3
- **48 hours**
  - Activated clusters initiate development of sectoral response plans
  - Flash Appeal developed within 5 days

### Day 5
- **72 hours**
  - Activated clusters initiate development of sectoral response plans

### Day 30
- **120 hours**
  - Within two weeks of activation, IASC principals meet to review:
    - Strategic plan
    - Leadership functioning
    - Coordination arrangements
    - Activation period
  - ERC/IASC review cluster activation proposal

### Activation of the Humanitarian System-Wide Emergency Scale-up
- **Flash Appeal launched**
- **Days 1 & 2:**
  - Initial assessment from RC/HC
    - Humanitarian needs
    - Review of secondary sources
    - Recommendations on coordination arrangements
    - IASC members’ assessments
    - Existing contingency and response
  - Resident/Humanitarian Coordinator (RC/HC) calls a Humanitarian Coordination Team (HCT) meeting to:
    - Assess the situation including the priority needs and capacity of national authorities to respond
    - Recommend and establish appropriate coordination mechanisms including cluster activation and sub-national hubs
  - Meeting of IASC Emergency Directors Group (EDG) to provide recommendations

### Design transition plan
- **Days 3-5:**
  - Flash Appeal issued
  - Activated clusters initiate development of sectoral response plans

### Inter-Agency Humanitarian Evaluation
- **6-14 days**
  - Flash Appeal developed within 5 days
  - ERC/IASC review cluster activation proposal
  - Within 72 hours, HC designated and relevant clusters activated
  - Activated clusters initiate development of sectoral response plans
