- Assume that abuse is happening – even if NO concerns are reported.
- Maintain a survivor focused approach – child centred approach in all safeguarding investigations.
- Harmonize approach and application of the UNSEA protocol across all UN agencies.

- **Avoid multiple investigations on same allegation**
- **Resource and support for investigations**
- **Map out legal and social welfare pathways in every country**

- **Risk assessment and risk management in investigations**
- **Agree and apply shared standards**
